

Preparation Phase

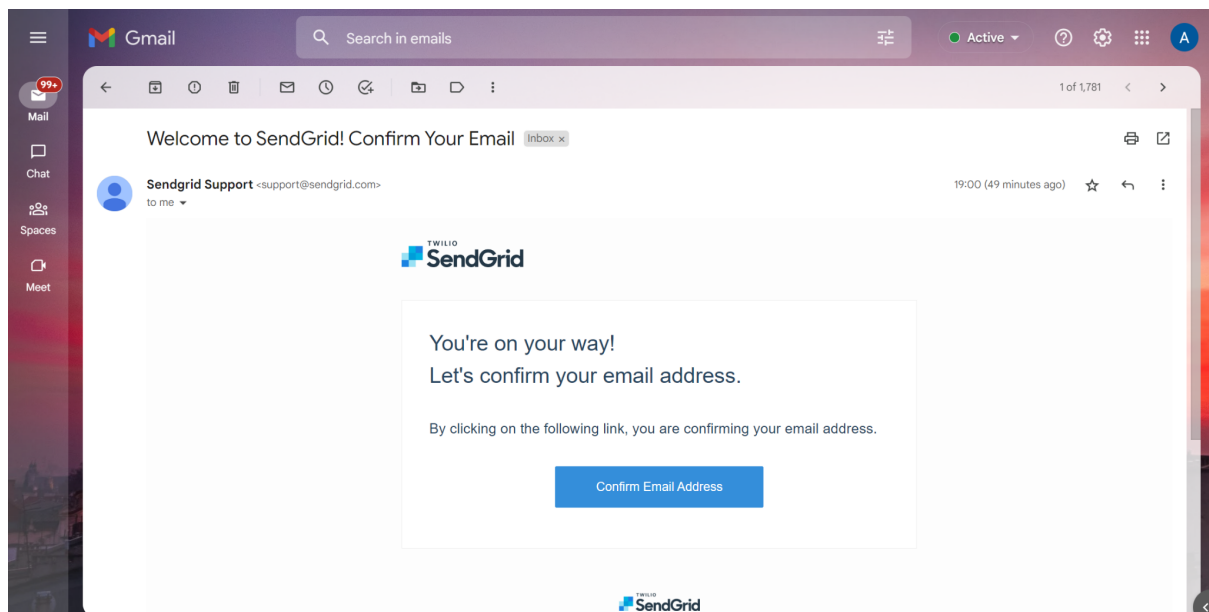

Setting up Application Environment

Team ID	PNT2022TMID19786
Project Name	Skill / Job Recommender Application

1. Create an Account in SendGrid:

Open this official SendGrid website <https://sendgrid.com/> and Signup with your email id and fill the required details asked for Profile purpose.

After which you'll receive a support E-mail from SendGrid for the Account confirmation, click "Confirm Email Address" and you're good to go!

Then Login with your credentials to see a page like this one below!
